GREAT MASSINGHAM  
C. of E. PRIMARY SCHOOL

School Year 2020 - 2021

This brochure aims to be a guide to new parents and carers, but we recognise there is no substitute for personal contact. Staff are always happy to answer any queries personally, and parents and carers are always welcome in school.

We hope that the time your child will spend with us will be a happy and successful one. **A good relationship between home and school is vital for children's progress and we look forward to working with you over the coming years.**

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font or Braille, providing a signer, explaining things over the phone, wheelchair access.

# AIMS OF THE SCHOOL

To provide a supportive environment with Christian values, where children feel happy and secure.

To provide a broad, balanced, relevant curriculum to develop skills, knowledge, creativity and independence to equip the children to move confidently into the future and reach their full potential.

Tell me and I forget. Teach me and I remember. Involve me and I learn.

**Benjamin Franklin**

# Great Massingham C of E Primary School

Great Massingham is a Church of England Voluntary Controlled School catering for children from 4 - 11 years. The pupils are organised and taught in two mixed-age classes - Infants and Juniors (Class 1 and Class 2). Under National Curriculum arrangements we also refer to the children as year groups (starting with Yr R (Reception) KS1 - Yr 1 - 2 and KS2 - Yrs 3 - 6).

The school operates a policy of Equal Opportunity and Equal Regard, which is available on request from the school.

Since September 2015 Great Massingham has been federated with Harpley C of E Primary School, following a two-year partnership prior to this. Close links between the neighbouring schools have been developed and continue to strengthen.

The school is a brick built Victorian building with a large playground at the front and a large, well-kept field at the back of the building. There is also a log cabin style building which serves as group room and meeting room and a further cabin which acts as a staffroom and resource store. There are two classrooms and a large multi-purpose room shared by both classes. There are also offices, cloakroom areas with toilets, a hall that also houses a modern, attractive library and a servery for school meals. At the rear of the school there is storage and a cycle shed.

### RE-OPENS ON

(at 8.45am)  
2<sup>nd</sup> November 2020  
22<sup>nd</sup> February 2021  
7<sup>th</sup> June 2021

## THE SCHOOL DAY

School begins: 8.55 am  
Playtime: 10.35 - 10.50 am  
Lunchtime: 12 noon - 1.00 pm  
School ends - 3.20 pm

Children should be punctual but not too early as the playground areas are not supervised before school. However, we welcome the children into school from 8.45am. Parents are always welcome but children should be encouraged to be independent and come in to school by themselves, bringing their own things where possible.

## ATTENDANCE

Please inform the school of any absence as soon as possible by word of mouth, telephone or letter. Should we NOT be informed of the reason for a pupil's non-attendance the absence may be marked as unauthorised. The registers are closed ten minutes after the start of each school session.

Please always let us know if your child is away for any reason.

An absence will be recorded as unauthorised if

- No explanation has been received from a parent/carer or the school is not satisfied with the explanation
- A pupil is absent for unexceptional reasons e.g. a birthday
- A pupil is absent from school on holiday

County guidelines regarding pupil absence state that absences may be authorised at a school's discretion for

- Exceptional special occasions, ceremonies, extra-curricular exams, etc
- Bereavement and family crises.

As several children travel to school independently we will always phone to clarify absences if parents do not contact us. This is to ensure pupils safety.

Full NCC attendance guidelines are available from the office.

## COLLECTIVE WORSHIP

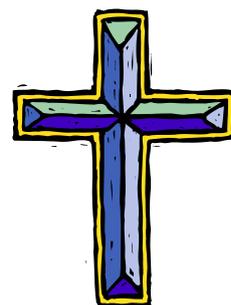

Collective Worship is held every day and is an integral part of the community life of our church school.

Our Christian Act of Collective Worship is suited to the family backgrounds of all pupils.

### COLLECTIVE WORSHIP IS INTENDED TO:

- Develop understanding of the beliefs and values of Christianity.
- Provide times of peace for reflection and/or prayer.
- Encourage a sense of responsibility and community, to affirm values and commitment and to think about and empathise with other people.
- Provide memorable and enjoyable experiences, especially at times of festival.
- Foster feelings of awe, wonder and thankfulness.

Parents may choose to withdraw their children from Religious Education and Collective Worship. Should this be your wish please make an appointment to discuss arrangements with the Headteacher.

## **ADMISSIONS POLICY**

As a Church of England Voluntary Controlled School we follow the Norfolk County Council policy for first admission to school. By law children must start full time statutory education at the beginning of the term following their fifth birthday. Where admission is offered prior to compulsory school age, parents may defer their child's entry into school until later in that academic year.

The Norfolk County Council admission criteria in the event of over-subscription in County and Controlled, First, Infant, Middle, Junior and Primary Schools is as follows:-

In the event of over-subscription, preference will be given to children living nearest to the school according to the following criteria, in order of priority.

1. Children with an Education Health and Care Plan (EHCP) of Special Educational Needs naming that school.
2. Children who live within the designated area and have a brother or sister (sibling) attending the school at the time of their admission.
3. Children who live within the designated area and have no siblings attending the school at the time of their admission.
4. Children who live outside the designated area and have a sibling attending the school at the time of their admission.
5. Children living outside the designated area and have no siblings attending the school at the time of their admission.

## **TRANSITION**

We enjoy close links with Ducklings Pre-School which is situated in the grounds of the School. All new children and parents and carers are invited to visit the school in the summer term, and children are also invited to attend 'taster days' without parents, before starting school.

Ducklings Pre-School also share a variety of activities with school throughout the year.

At the end of Year 6, the 11-year-old pupils generally transfer to Litcham School. The school enjoys excellent liaison with the High School and children have numerous opportunities to meet other children from the Litcham Cluster, ensuring a smooth transition from Primary to Secondary Education.

**World Book Day 2019**  
**The children talked about their book character.**

**Easter Service 2019**

## Gymnastics at Lynnsport

## PARENTS AND SCHOOL

A school cannot work successfully without the support and confidence of the parents and carers of the pupils. As a school, we recognise the vital role parents play in a child's education and want parents to be part of the Great Massingham School community and to work in partnership with us.

Members of staff are always willing to discuss any concerns parents may have regarding their child and we would always contact parents should we have concerns. It may be that an informal chat at the end of the day will be sufficient to alleviate concerns or it may be more appropriate to make a mutually convenient appointment to discuss more serious issues. It is vital that information regarding a child's daily life is passed from home to school and school to home. Changes, even minor ones, may affect a child's well-being. Any discussions between parents / carers and staff will be treated as confidential.

### **PARENT HELPERS**

We are **ALWAYS** glad of help at school - you do not need special skills - there is always something that needs doing! Contact us if you would like to help in any way. We have many regular adult helpers in the school, parents, governors and other interested people. They assist with hearing children read, gardening, DT and art, technology, games, cookery, IT and music. This is a vital part of our school - increasing as it does the children's opportunities for forming relationships with adults and by widening the curriculum. If you would like to help in school, either on a regular basis or from time to time, please telephone or e-mail the school or speak to a member of staff at the end of a school day. To ensure security all adult helpers in school must be DBS checked - this is a straight forward exercise carried out with the school secretary and is free to volunteers.

## HELPING WITH YOUR CHILD'S EDUCATION

Prior to starting school, it is essential that you prepare your child by talking to him/her about school and by attending school visits and taster days. Parents and carers are often more worried about starting at a new school than the children themselves! Try to be positive about school even if your own school experiences were not always happy. Young children enjoy being involved in preparation for school - buying their new uniform, P.E. bag and kit, etc.

As part of your child/children's education you can do a lot at home to encourage and support their education -

- Talk to your child about his/her day, your day, family life, the news and current affairs - children learn so much just by talking and listening.
- Read to your child and encourage him/her to read - stories, magazines, newspaper headlines, packaging, road signs, etc. Print in the environment is a great way to stimulate an interest in reading.
- Play games - board games, cards, dominoes, I-spy, pretending/role play games.
- Visit places of interest (e.g. museums, parks and libraries, etc.)
- Provide materials for play and creative activities e.g. paper, pens, musical instruments.
- Encourage your child to join clubs and organisations - Rainbows/Brownies, Beavers/Cubs, sports clubs.
- Encourage the development of practical skills, e.g. shopping, tidying, cooking, writing lists, cards and letters, mending, caring for animals, gardening, etc.

However tempting it might be - don't do everything for your children. Give them responsibilities and they will benefit a great deal, becoming more self-reliant independent and appreciative.

## **SAFEGUARDING**

Great Massingham School's Safeguarding Policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to;

- Protect our children from maltreatment
- Prevent impairment of our children's health or development
- Ensure that our children grow up in circumstances consistent with the provision of safe and effective care
- Undertake that role so as to enable our children to have optimum life chances and enter adulthood successfully.

The safeguarding policy gives clear direction to staff, volunteers, visitors and parents about the expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.

Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. The elements of our policy are prevention, protection and support.

Our school will establish and maintain an ethos where our pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff or regular visitor to our school if they are worried or concerned about something.

Throughout our curriculum we will provide activities and opportunities that will equip our children with the skills they need to stay safe and healthy. This will also be extended to include material that will encourage our children to develop essential life skills.

A copy of the school's safeguarding policy is available on the school website or from the school office.

## EQUAL OPPORTUNITIES

Great Massingham School is committed to promoting understanding of the principles and practices of equality and justice.

The school has a Single Equalities Scheme and Plan in compliance with DDA. The School endorses the Norfolk LEA Policy for Equal Regard and Opportunity in Learning which states:

"We believe that all pupils are entitled to equal regard, just as they are entitled to equality of opportunity in learning".

"The curriculum in those schools which have no pupils from ethnic minority groups, should be of a kind which opens the minds of pupils to other traditions and to other ways of viewing the world and which challenges and dispels the ignorance and distrust which breed radical prejudice and discrimination".

# **SPECIAL EDUCATIONAL NEEDS AND DISABILITIES** **(S.E.N.D.)**

13

Children with SEND will be considered for admission in exactly the same way as any other child wishing to join the school, in accordance with the Admissions Policy. However, parents should make particular arrangements to discuss individual needs in the context of the school. For children with mobility difficulties the school offers level access to all main buildings and carpeting throughout the teaching areas. The school has toilet facilities for the disabled.

## **AIMS**

- To identify and support children with Special Educational Needs, including Gifted and Talented children.
- To support the provision of a happy, secure learning environment.
- To promote the development of appropriate differentiated and challenging programmes of work for individual children.
- To identify and support the provision of resources which will enable individual children to fully access the curriculum and to be integrated into the school community.
- To identify procedures for regular monitoring and reviews.
- To support a full, working partnership between school, parents and outside agencies.

## **CO-ORDINATION OF PROVISION**

Co-ordination of SEND provision is the responsibility of Mrs Ann Beardall in her role as Special Needs and Disabilities Co-ordinator (SENDCO). She will ensure that the procedures in the policy are carried out, that staff and governors and parents of children with SEN are provided with the necessary information and that parents are regularly consulted. Regular meetings are arranged with the School Support Team to discuss SEN issues within the school.

## THE SCHOOL CURRICULUM

The curriculum covers the full-range of primary school subjects and follows guidelines set down in the National Curriculum Policy Statements. Teaching focuses on the skills children need to acquire and develop for use throughout their lives. Importance is given to continuity and progression in these skills. In December 2018 Great Massingham School was inspected by OFSTED. The Inspection judged the school as GOOD. The report highlighted many good aspects of the school particularly behaviour and safety of children. The inspector found that **"Staff and pupils develop very positive relationships so that pupils make strong progress within a caring and supportive environment."** A copy of the report is available on request from the school office, on the school website and also available at [www.ofsted.gov.uk](http://www.ofsted.gov.uk).

The curriculum for Reception pupils follows the Early Years Foundation Stage (EYFS) Framework set down by the DFES and QCA. Their progress is assessed using the Foundation Stage Profile, which records the children's early steps in learning. These are shared with parents termly. There is a well-organised programme of EYFS activities. The youngest children benefit from consistently high-quality care and grow in self-confidence as a result. The good induction process and the friendly, caring atmosphere are valued highly by parents and carers.

A four-year programme of subjects has been designed to cover all elements of the Key Stage Two curriculum and a similar cross curricular two-year teaching programme has been designed for Key Stage One.

It  
is

school policy to invite professionals into the school to share their expertise. We also provide many varied educational visits and activities to enrich the curriculum

and broaden children's experiences. Recent curriculum enrichment activities have included:

KS2: Ancient House Museum in Thetford, Apple Store in Norwich (Year 6), Trampolining at the Gravity Centre in Norwich (Year 6), Y6 Crucial Crew personal safety training at King's Lynn Fire Station, Federation Day KS2 visit to Sheringham, Year 6 Cycling Proficiency, Cycling Proficiency Years 3,4 and 5, Gresham's Cross Country, Andy Briggs (Author Visit) at Litcham High School for Years 5 and 6, Helen Moss Workshop at Litcham High School for Years 2, 3 and 4, Residential Visit to Horstead, Matilda The Musical at Norwich Theatre Royal.

FS/KS1: Federation Cathedral visit; Federation Amazona zoo visit; Sheringham Park visit (pond dipping, den building, etc); Matilda The Musical at Norwich Theatre Royal.

Visitors: Revd Judith Pollard - Collective Worship; Michael - Mid Norfolk Food Bank; B & J Puppet Assembly; GenR8 Assembly; Julian to help with the school garden; School Photographer, Andrew Bickerton - Local Author.

Activities: Gymnastics at Lynnsport, Macmillan Coffee Morning; School Christmas Decoration Day; Harvest Festival at St Mary's Church, Carol Service at St Mary's Church; Christmas lunch and Christmas party; Book Week; Sports Day; Easter Service & Egg Hunt; Leavers' Service in Great Massingham Church; Swimming at Bircham; Multisports After School Club; Dodgeball Tournament (Litcham Cluster); KS2 Music - Ukulele; School Council Meetings, Federation Days; Litcham Cluster Literacy Quiz; Litcham Cluster Book Club, Litcham Cluster Maths Quiz, Year 6 Leavers' lunch at Pizza Hut; Ark Club Assemblies, School Play - Oliver, NSPCC Fund Raiser, Visit from The Dogs Trust and Young Carers.

Extra curricular activities provide opportunities for extending learning beyond the classroom and encourage and support all pupils who wish to attend to develop an interest in subjects outside the classroom.

Extra-Curricular/After School: Multi sports sessions for Years 1-6, Dodgeball Afterschool Club, Gardening Club, Ark Club, guitar and drum tuition with Stef Judd, piano lessons with Benjamin Howell.

# TEACHING AND LEARNING

The school's policy sets out to underpin the teaching and learning that takes place at Great Massingham School. We aim to provide high quality learning experiences for our children that ensure they develop a love of learning and reach their full potential. We want them to be the best that they can be.

We believe that children learn best when they:

- Are nurtured, secure and happy;
- Are interested and motivated;
- Achieve success and gain approval;
- Are given tasks suited to their ability;
- Clearly understand the task;
- Are confident, feel secure and are aware of boundaries;
- Are challenged and stimulated;
- Are supported and encouraged by parents/carers.

To this end Great Massingham Primary staff work in partnership with parents and carers to provide information on pupil progress and strategies they can use to engage in the learning process of their children.

Teachers at Great Massingham Primary School help children to see the 'big picture' by sharing the aims of lessons, tasks and topics; reviewing previous sessions; and encouraging children to summarise/demonstrate what they have learnt to peers, teachers and others.

**All teachers at Great Massingham aim to:**

- Plan, prepare and resource stimulating lessons and learning opportunities, utilising variety in the delivery and pace of teaching;
- Use assessment to evaluate children's progress and inform future teaching plans;
- Set SMART(Specific Measurable Achievable Realistic Timed) targets;
- Cater for the learning styles and individual needs of all children, using visual, auditory and kinaesthetic approaches to teaching and learning;
- Ensure the involvement of children in their own learning;
- Use praise and positive reinforcement to foster self esteem, motivation and confidence.

## ENGLISH

Literacy is the key to educational success. It consists of reading and writing and incorporates speaking and listening. It is taught on a daily basis in a structured Literacy lesson. Literacy lessons are planned within the National Curriculum.

### READING

We recognise reading as an essential skill enabling children to access a wide variety of ideas and information through text. Children must become adept at interpreting symbols and comprehending the messages they convey. Pupils are taught to decode text, using phonics, spelling patterns and whole word recognition and to use contextual clues. Opportunities to read at home as well as at school encourage children to develop a love of reading.

### WRITING

Writing is closely linked to spoken language and is developed through a wide range of speaking and listening activities together with early reading experiences. Children's language experiences both in and out of school will influence the later development of writing skills. Writing is a cross-curricular activity, not restricted to Literacy lessons. Pupils are taught to use writing as a means of developing, organising and communicating ideas and are given opportunities to write for a variety of purposes.

## HANDWRITING

Our handwriting policy ensures that children leave the school with a clear and flowing hand enabling them to present legible work of a high standard. Pupils are taught cursive script and are encouraged to join letters in their writing from Reception year.

## SPEAKING AND LISTENING

Language is the key to all learning. The programmes of Study for English emphasise the need to build on early experiences and to provide children with opportunities, which will extend their use of spoken English, nurturing enjoyment and pleasure in its use. Children need as wide an experience of language as possible; the school achieves this through a structured, progressive and varied programme, which provides opportunities for pupils to speak in a range of contexts, for a variety of purposes and audiences. Every pupil is supported to develop confidence in their use of spoken language, and to express their ideas and views clearly.

Pupils are expected from the beginning of their school career to listen and respond to a speaker in an appropriate way and to ask questions and make relevant comments. Listening skills are developed through a variety of activities including stories and rhymes, games, and music in Reception and Key Stage One, through to more formal discussion and debate in Key Stage Two.

## MATHEMATICS

Numeracy is a key life skill without which children would be disadvantaged throughout their lives. It is one of the three core subjects of the National Curriculum and is taught every day. The Daily Maths Lesson is structured to include whole class teaching, group and individual work with a strong emphasis on oral and mental work. This will progressively develop the mental skills and strategies of each child, increasing their confidence to tackle new mathematical problems. Mathematics is promoted as an enjoyable and stimulating experience in order to acquire and consolidate essential knowledge, skills and actions relevant to life and other curricular areas. Children are taught to use basic operations correctly, to make accurate calculations and acquire sound computational skills. It is important that children develop an awareness of the structure of Mathematics, so they can build on existing knowledge and continue the learning process.

## SCIENCE

The teaching of Science offers all pupils the opportunity to investigate and rationalise the contrasts around them in the context of a wide variety of activities encouraging exploration and investigation.

Science also involves the acquisition of knowledge and skills and those outlined in the National Curriculum are taught as the basis on which children will develop and refine their understanding of the world and respect for their environment.

Children are given many opportunities for 'field work' in both Key Stages. This may be undertaken in the school grounds, the local environment or on visits further afield.

## INFORMATION COMMUNICATION TECHNOLOGY (I.C.T.)

The school runs a network of sixteen laptops and sixteen iPads available for use in the classroom. This represents a good computer to pupil ratio. Throughout all Key Stages, children will have access to an increasing range of IT equipment and computer software.

Both classes have Interactive Whiteboards. ICT is taught discretely as a subject but is also embedded in our teaching across the curriculum.

## RELIGIOUS EDUCATION

The new Norfolk Agreed Syllabus is covered as the foundation of Religious Education. Children will develop knowledge and understanding of Christianity and other principal world religions.

## ART AND DESIGN

This is an important area in a child's development, allowing scope for observation and exploration of the environment as well as imaginative expression. Pupils will explore a variety of media, materials and techniques in both two and three-dimensional work.

## HISTORY

The teaching of History at Great Massingham School is based on a rolling programme, which covers the topic areas defined by the National Curriculum. Careful thought is given to the skills and concepts that the children are acquiring. Children learn about peoples of the past and their influence on life today. They also gain physical and social knowledge of the world in which we live. Opportunities to enhance the curriculum are offered where appropriate with visits to local museums including King's Lynn, Gressenhall, and Norwich.

# PHYSICAL EDUCATION

Great Massingham School offers the children a wide range of opportunities to develop their physical skills. All pupils participate in dance, gymnastics, games skills, and athletics. From a firm foundation of skills built in Reception and Key Stage 1, children go on to participate in a wide range of team games in Key Stage 2.

All pupils receive swimming lessons at Bircham Newton Pool in the autumn and spring term. This is fully funded by the school with no parental contribution requested. During the summer months the school field is used extensively for P.E. and games.

Extra Curricular Sports Activities include:-

Multisports coaching provided by Amy from Top Sport for years 1 to 6.

## P.E. CLOTHING

Infants:	Boys and Girls	White 'T' shirt and plain dark shorts Plimsolls or trainers, preferably with fastenings Warm tracksuit OR old jumper & trousers Trainers (Winter only)
Juniors:	Boys and Girls	White 'T' shirt and plain dark shorts Warm tracksuit OR old jumper & trousers Trainers
Swimming	Boys Girls	Trunks and swimming hat One-piece costume and swimming hat
Optional:	Boys and Girls Girls	Football or hockey boots, gum shields PE skirt

It is a requirement that all children change for PE and that long hair is tied back. Watches and stud earrings must be removed.

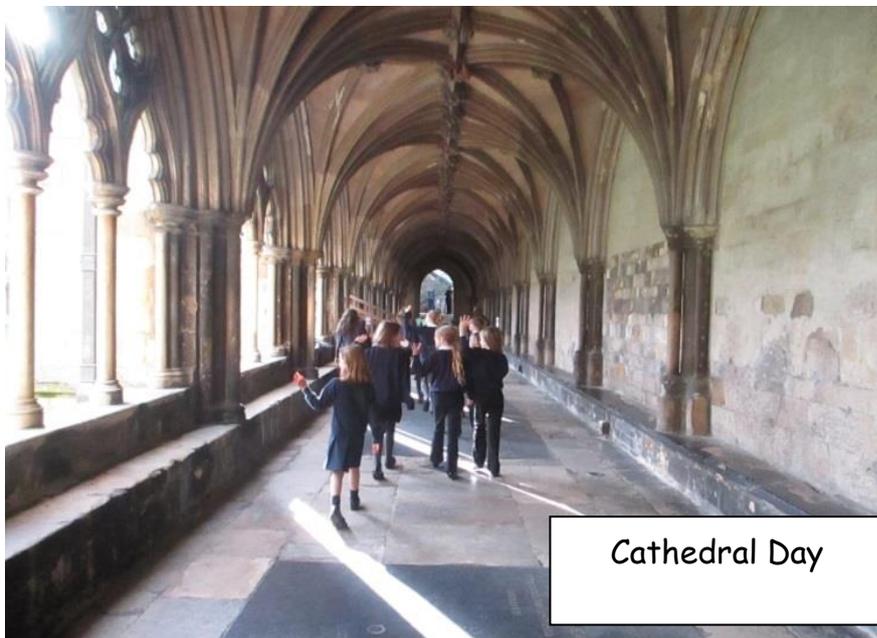

# SCHOOL EVENTS

## KS2 Horstead Residential Trip 2019

Canoeing

## RELATIONSHIP SEX AND EDUCATION

Traditionally the school has answered children's questions as they have arisen, naturally, in the classroom, and at an appropriate level for the children.

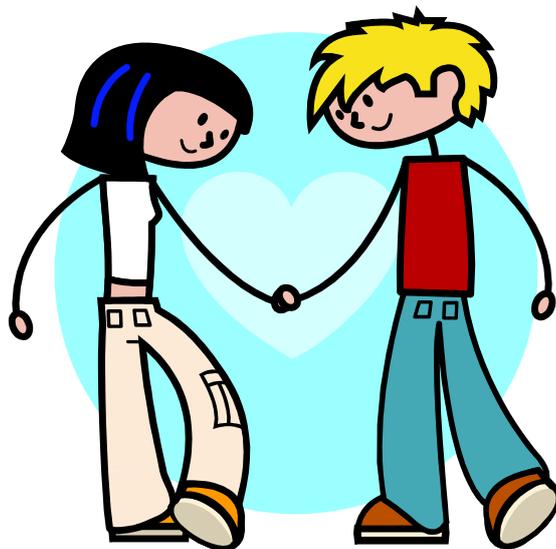

During their time at the school the children will have looked at young animals of all kinds and studied growth and development, family life, caring for each other, and other related topics.

The staff and governors believe that, in addition to this integrated method of teaching sex relationship education; there should be a more formal approach for the children when this becomes appropriate, according to a child's age and maturity.

During the summer term we provide the children whose parents have agreed, with a Programme of Study, suitable to a sound preparation for adolescence within the context of a supportive, secure and caring atmosphere.

Parents and carers have the right to withdraw their children from the school's programme of sex and relationship education; other than those elements which are required by the National Curriculum Science Programme of Study.

Should you wish to exercise this right, please contact the Headteacher and suitable alternative arrangements will be made.

## DISCIPLINE

We aim to create a caring atmosphere with Christian values, where children feel responsible for themselves and the well-being of others and where everyone in the school community works together with mutual respect.

School rules are fully explained to the children but formalised rules are purposely kept to a minimum, and are positive, i.e. do's rather than don'ts. Children are taught to be aware of what comprises acceptable and unacceptable behaviour and to know that certain behaviours must be followed for the mutual good of all. We are proud of the fact that a problem of discipline rarely arises to cause disruption to the calm atmosphere and smooth running of our school.

We ask all pupils, parents and teachers to sign an annual home-school agreement to formally support the school's behaviour policy.

## COMPLAINTS PROCEDURE

We hope the school's 'open door' policy allowing parents and staff to speak on a daily basis about issues and concerns means there will be no need to use a formal complaints procedure. However, all schools are required to have a complaints procedure and policy.

Parents having complaints about the following;

- school curriculum
- religious education
- implementation of the National Curriculum
- or any other matter relating to the school should take the following steps:

**1. Speak to the class teacher.**

If you are not satisfied with the outcome of this meeting

**2. Speak to the Headteacher.**

If you feel the problem has still not been resolved

**3. Speak to the Chair of Governors**

In the unlikely event that we have not been able to resolve the problem in school you should

**4. Contact Children's Services at County Hall Tel: 0344 800 8020**

If you really feel something is bothering you or your child (however trivial or serious) PLEASE come in and speak to us. You are welcome to talk to any member of staff if you have concerns. We don't mind listening to grumbles!

**Please remember if we don't know about  
a problem we can't put it right!**

## CLOTHING AND DRESS

The Governing Body request that all children attending Great Massingham School support its positive image in the community by wearing school uniform and having appropriately coloured/styled hair. Long hair must be tied back for health and safety reasons.

Great Massingham uniform consists of a navy sweatshirt with a navy polo shirt, and black, grey or dark blue trousers/skirts or shorts. In the summer girls may wear a blue and white checked dress. School shoes (not trainers) should be black or brown and, for safety reasons, strappy or high-heeled sandals/shoes must not be worn. In the winter pupils who come to school wearing boots should change into indoor shoes or plimsolls in school.

Jewellery should not be worn although small stud earrings are acceptable. Wristwatches may also be worn, but all jewellery is worn at the wearer's own risk. Children will be required to remove both watches and earrings for PE.

Uniform items, book bags and P.E bags with the school logo, are available from the school office.

Please ensure that all clothing, especially for infants, is easy to remove for PE. All clothing and belongings should be clearly named so that lost property can be identified and returned.

Our suppliers for school uniform are Birds of Dereham, Wovina and My Clothing. School uniform can be purchased from Birds of Dereham through the school's PTA. Please ask Mrs Smith for an order form. Wovina and My Clothing are internet based companies - [www.wovina.com](http://www.wovina.com) or <https://myclothing.com> or follow the link on the school website.

## CHARGES FOR ACTIVITIES

CHARGES WILL BE MADE FOR:

1. All non-residential activities which take place wholly, or more than 50% outside school hours.
2. Residential visits, which take place outside school hours.
3. Board and lodging in all cases where the child is involved in nights away from home.
4. Parents will be asked to pay the cost where items are broken or defaced as a result of misbehaviour.
5. This policy applies to charges being made by the school or the Local Education Authority (LEA). If a third party (e.g. A tour operator) is organising an activity for the school (e.g. a residential visit) they may charge in full for the activity even if it takes place during school hours.

NB: The Governing Body may in the future amend the categories for which charges are made. Parents will be notified of any such changes.

## VOLUNTARY CONTRIBUTIONS

Many activities will only take place if all parents agree, in advance, to make a voluntary contribution of a specified amount. Letters specific to each activity will state whether the activity is dependent on contributions from parents.

The Governing Body recognises the valuable contributions that activities such as educational visits and residential experiences offer to the pupils and will continue to support the school in providing such activities. Many activities and visits are financially supported by the Great Massingham School Parents and Friends Association.

## ASSESSMENT AND MARKING

Assessment is used to provide a clear record of achievement for all children in the school. It is used to aid in planning teaching and learning to support progression of learning. At Great Massingham, assessment is used to provide information for pupils, parents, governors, the LEA and Government agencies.

The school has a positive marking policy. We aim to provide constructive suggestions to draw the child's attention to areas for development whilst encouraging and praising strengths in the work completed. Effort on the part of each child, according to his/her abilities is also a strong consideration when work is marked. Individual targets, agreed with the pupil will be set regularly for each child.

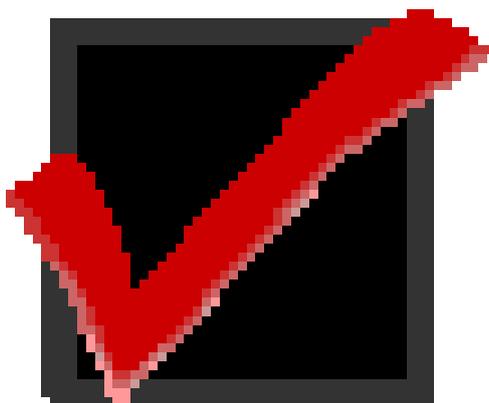

### ANNUAL ASSESSMENT

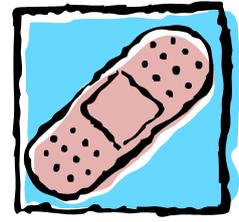

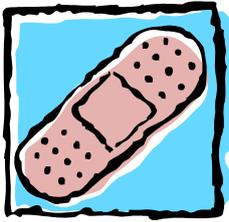

The school will implement testing and teacher assessment at the conclusion of each Key Stage (Year 2 and Year 6). We also use optional KS2 tests for Years 3 to 5 to provide graded assessment tasks for all pupils at Key Stage 2, the results of which will be used in summative assessment.

In line with DfE guidelines the school carries out phonics screening tests for Y1 pupils.

### RESULTS OF NATIONAL CURRICULUM TESTS FOR YR 2 AND YR 6 PUPILS

Where a year group is below 5, there is no requirement to publish results. However, if you wish to discuss SATs results please contact the Headteacher.

## HEALTH CARE

The aim of the school is to co-operate with parents and the child's medical practitioner in order to create the best possible circumstances for the health of the child.

Parents/carers should inform the school of any particular medical condition their child may have. The school may need to gain parental permission to contact the child's General Practitioner for advice on the child's best care and where necessary appropriate training for staff will be arranged.

Routine dental, hearing and eyesight checks are no longer carried out in school, we recommend parents seek checks from their own dentist/optician/GP/health visitor. Should your child become ill or have an accident in school, you will be contacted as soon as possible. As we have only limited facilities for caring for children who are unwell, please ensure we have the contact number of a friend or relative who would be able to collect your child should you be unavailable. In the case of a medical emergency, staff will contact the Emergency Services, the pupil's Medical Practice and parent/carers immediately. Where parents are not able to be present, or cannot be contacted school staff act in 'loco parentis'. This means they are obliged to act in the child's best interest. However parents will be informed of any action to be taken and their verbal consent obtained if possible.

### ADMINISTRATION OF MEDICINES

Administration of medicines remains the responsibility of the parents/carers and is not the duty of school staff. Where medicines are prescribed 3 times, daily dosages can be arranged to fall outside school hours. If a child is so ill they require the administration of medicine more frequently he or she should remain at home until the course of treatment is complete. Medication for long term conditions will be agreed with parents/carers and the Headteacher/SENDCO. Any necessary medication must be handed to the secretary by the parent in clearly labelled and named containers. A form of indemnity must be signed.

All medicines will be kept in a secure place.

## EDUCATIONAL VISITS AND PUPILS HEALTH

A pupil's medical condition may need to be considered before an educational visit; but the need for medication/treatment will not be regarded as an obstacle to any pupil's enjoyment of an activity. In the interest of equal opportunities every endeavour will be taken not to prevent a pupil from engaging in school activities due to a medical condition; however the safety of all pupils must remain the school's first priority.

## PARKING AT SCHOOL

Traffic congestion around school is a problem at the beginning and end of the school day. In order to ensure the safety of the children and to maintain good relations with the local residents we ask that parents park considerately and avoid parking on the yellow zig-zag markings at any time.

### Guidelines for drivers

- Adhere to speed limits at all times.
- Please consider that just because the sign says 30 it does not mean you **have** to drive that fast!
- Be aware of children and adults cycling/walking to school and be vigilant throughout your whole journey.

### Guidelines for pedestrians and cyclists

- Adults must supervise children below the age of 8 on their journey to school.
- Adults should keep all children close by at all times and ensure they stay on the pavement.
- Ensure children travelling to school without an adult are aware of basic road safety.
- Children cycling to school should wear a cycling helmet and use a roadworthy bike that is checked regularly.

The school will always phone to clarify pupil absences if parents do not contact us; so you can be reassured that children travelling to school independently have arrived safely.

We trust parents and carers will support this effort to ensure the safety of all children.

## SCHOOL MEALS

During lunch children are supervised by Mrs Mathews and Mrs Attew. Grace is said before a meal and we expect polite and appropriate behaviour at the table.

### HOT MEALS

Hot school meals are brought daily in containers from Holly Meadows Primary School. They are tasty, well-balanced and represent good value for money at £2.30 per day. A jacket potato with fillings is also available and the kitchen will provide a packed lunch at the same price as a hot meal.

Class 1 may have a Universal Infant Free School Meal (UIFSM) free of charge daily. This consists of a hot meal, or vegetarian meal, a jacket potato or a school packed lunch.

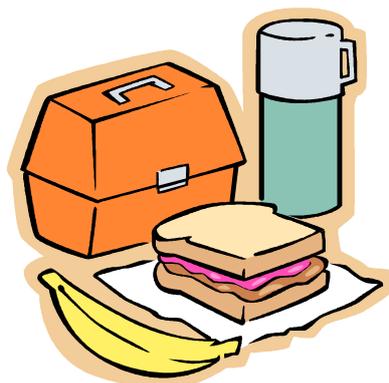

Free school meals are available for families receiving Income Support or Income-Based Job Seekers Allowance. If you require details on qualification requirements and application for free meals please contact the school office.

### PACKED LUNCHES

Children may bring a packed lunch to school. Packed lunches should be in a secure box. Please make sure drinks (which should not be fizzy) are in a secure plastic container. The children are encouraged to eat healthily in school so sweets should not be part of the meal although a chocolate covered biscuit is acceptable.

### SNACKS

Infant children receive free fruit daily from the school fruit and vegetable scheme. Junior children may bring fresh or dried fruit, nuts or cheese to eat at playtime.

# PARENTS AND FRIENDS ASSOCIATION

All parents are automatically members of the Parents and Friends Association. The Committee is formed annually at the AGM. It is a small but hard-working group that raises money to provide both extras and essential items for the school. The PFA funds many school visits. The current committee is:

Emma Pearson  
Ruth Doherty  
Joules Lodge

Chairperson  
Secretary  
Treasurer

Please consider joining the committee - you'll find it both fun and rewarding!

We may be a small school but we have a full and active life.  
I hope you will enjoy being a part of it.
